**Re: Exemption Approval Letter**  
**Exemption #E-079-22** – Lincoln Memorial Hospital  
**Exemption Holder:** Abraham Lincoln Memorial Hospital, Memorial Health System

Dear Ms. Mollohan:

On December 21, 2022, the Chairwoman of the Illinois Health Facilities and Services Review Board ("State Board") acting on behalf of the State Board approved the exemption application for the discontinuation of the 3-bed obstetric category of service at Lincoln Memorial Hospital, 200 Stahlhut Drive, Lincoln, Illinois. The licensee and the owner of the site is The Abraham Lincoln Memorial Hospital. As a result of this approval Lincoln Memorial Hospital has 25 medical surgical beds.

You are reminded the issuance of the certificate of exemption is contingent upon the applicant submitting a statement to the Board within 90 days of completion of the discontinuation notifying the State Board that the discontinuation has been completed in accordance with the language contained in the exemption application. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable to this transaction.

Should you have any questions or concerns, please contact Mike Constantino or George Roate of my staff at [Mike.Constantino@illinois.gov](mailto:Mike.Constantino@illinois.gov) or [George.Roate@illinois.gov](mailto:George.Roate@illinois.gov) or 217.782.3516
