Re: Exemption Approval Letter
Exemption #E-081-22 – Presence Chicago Hospitals Network d/b/a Presence Saint Joseph, Chicago
Exemption Holder: Ascension Health, Presence Chicago Hospitals Network d/b/a Presence Saint Joseph, Chicago

Dear Mr. Axel:

On December 28, 2022, the Chairwoman of the Illinois Health Facilities and Services Review Board (“State Board”) acting on behalf of the State Board approved the exemption application for the discontinuation of the 26-bed long term care category of service at Presence Chicago Hospitals Network d/b/a Presence Saint Joseph, Chicago, 2900 North Lake Shore Drive, Chicago Illinois. The licensee and the owner of the site is Presence Chicago Hospitals Network d/b/a Presence Saint Joseph, Chicago. As a result of the approval of the discontinuation Presence Chicago Hospitals Network d/b/a Presence Saint Joseph, Chicago has 216 medical surgical beds, (an increase of 20-beds), 11 pediatric beds, 23 obstetric beds, 21 intensive care beds, 15 neonatal beds, 34 acute mental illness beds for a total of 320 authorized beds.

You are reminded the issuance of the certificate of exemption is contingent upon the applicant submitting a statement to the Board within 90 days of completion of the discontinuation notifying the State Board that the discontinuation has been completed in accordance with the language contained in the exemption application. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable to this transaction.

Should you have any questions or concerns, please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516
