Narrative Description

In the space below, provide a brief narrative description of the change of ownership. Explain **WHAT** is to be done in **State Board defined terms**, **NOT WHY** it is being done. If the project site does NOT have a street address, include a legal description of the site.

The applicant facility, Edwardsville Ambulatory Surgery Center, located at 12 Ginger Creek Parkway, Glen Carbon, Illinois, is indirectly controlled by Quorum Health Corporation through its wholly-owned subsidiary Granite City Hospital Corporation which wholly owns Granite City Illinois Hospital Company, LLC, which in turns owns a 68% interest in the applicant facility. Quorum Health Corporation proposes to transfer its ownership interest in the applicant facility to American Healthcare Systems Illinois LLC, which is a wholly-owned subsidiary of American Healthcare Systems Corp., Inc.

The transaction will occur pursuant to an asset purchase agreement, which also includes the transfer of all assets of the hospital Gateway Regional Medical Center in Granite City. A separate change of ownership exemption application for the hospital will be filed contemporaneously with this application. The total purchase price is \$20 million. The portion of the purchase price attributed to the majority interest in Edwardsville Ambulatory Surgery Center is \$569,562.00.

The transaction will *not* result in the issuance of a license to an entity different from the current licensee. The licensee will remain Edwardsville Ambulatory Surgery Center, L.L.C., after the transaction.
