Re: Notice of Project Completion

#E-086-22, Gateway Regional Medical Center, Granite City
#E-087-22, Edwardsville Ambulatory Surgery Center, Glen Carbon

Dear Mr. Kniery:

This letter is to provide notice that the change of ownership transaction approved in each of the above projects closed effective March 1, 2023 in accordance with the key terms contained in the exemption applications.

With respect to Gateway Regional Medical Center, the transaction involved the issuance of an operating license to a new licensee, and the new license was issued effective March 1, 2023.

With respect to Edwardsville Ambulatory Surgery Center, the licensee remained the same after the transaction.

Very truly yours,

BARNES & THORNBURG LLP

Daniel J. Lawler
