**Re: Notice of Completion – Project # 23-009 Illinois Bone and Spine Institute**

Dear Mr. Kniery:

We represent Illinois Back and Neck Institute, LLC d/b/a Illinois Bone and Spine Institute (the "Permit Holder") with regard to Permit #23-009. On March 21, 2023, the Illinois Health Facilities and Services Review Board ("HFSRB") approved Project #23-009, an application to discontinue an ambulatory surgical treatment center that was being relocated 1 block away. The Permit Holder agreed to maintain operations until the relocated facility project was complete. We are happy to report that the relocation project is complete, and this facility has been discontinued. We request that you accept this letter as our Notice of Completion (in lieu of a final cost report) consistent with 77 Ill. Admin. Code Section 1130.770

There were no costs associated with the discontinuation of the facility and the project was completed according to the terms of the permit letter issued by the Board.

If you should have any questions or need any additional information regarding the project, please do not hesitate to contact me at 312-212-4967 or via email at JMorado@beneschlaw.com.

Very truly yours,

BENESCH, FRIEDLANDER,
