Mr. John Kniery, Administrator
Illinois Health Facilities and
Services Review Board
525 West Jefferson
Springfield, Illinois 62761

Dear Mr. Kniery;

Please accept this letter as an indication of my endorsement of the establishment of the proposed Summit Center for Surgery (Project 23-013). The surgery center is proposed to be developed in the lower level of Summit Center for Health, and under the common direction of Dr. Ibrahim Majzoub.

Summit Center for Health, and particularly through its urgent care center, has become a primary source of medical care for the residents of Oakbrook Terrace. For example, at the onset of the COVID-19 pandemic, when many other services...including medical services...were limiting their hours of operation, Dr. Majzoub elected to remain open, to provide access to the residents of Oakbrook Terrace and surrounding communities.

I believe that accessibility to high quality medical services is critical to our community, and given Dr. Majzoub's track record, I urge your Board's approval of this proposal.

Sincerely Yours,

Paul Esposito
Mayor
