RE: Summit Center for Surgery
Project 23-013

Dear Mr. Constantino:

I am an ophthalmologist and a retina surgeon, and have recently learned of the plans to develop the outpatient surgery center referenced above. I did not provide documentation to perform cases at the proposed center for inclusion in the CON application because I was not aware of the plans at that time. However, please be advised that it is my intent to perform procedures in the center, and please accept this letter as an indication of my support for the proposed center.

Sincerely,

Aaron B. Weinberg, MD
