To Whom It May Concern:

I am hereby requesting a Public Hearing on the matter of Dekalb Nursing and Rehab, Project #23-024. I believe it is not in the best interest of the residents, that reside in the facility, and the members of the community to allow the sale to these particular owners. I do not agree with the quality of care provided in their current nursing facilities. Thank you for your time and consideration of this request.

Sincerely,

Dear Sir:

This is a formal request for a public hearing for project #23-024 DeKalb County Rehab and Nursing Center. My name is Carol Deemer. I have lived in DeKalb County for over 50 years. The DeKalb County Rehab and Nursing Center has provided and continues to provide an important service to our county and is relied upon to provide a safe and caring environment for our residents of DeKalb County that need the assistance of a rehab and nursing facility. To make sure this important care continues to be provided, a public hearing is necessary to examine the qualifications and history of care in nursing homes currently owned and operated by the prospective buyer of the facility.
