RE: Please Forward Attached Petitions for Project 23-024

Dear Mr. Constantino:

Attached are the 70 pages of signed petitions by over 1,229 citizens of our region requesting that the Illinois Health Facilities and Services Review Board deny the sale of the DeKalb County Nursing and Rehabilitation Center at the October 3, 2023 meeting.

During the collection of these signatures, citizens of the region served by the DeKalb County Nursing Home and Rehabilitation Center clearly and overwhelmingly expressed their opposition to its proposed sale.

Please forward these signed petitions to the members of the Review Board in advance of their next meeting on October 3, 2023.

Respectfully Yours,

Nickie Marsh

SAVE OUR DEKALB COUNTY NURSING HOME

We the undersigned, are strongly opposed to selling the DeKalb County Nursing Home to DeKalb Healthcare Holdings, LLC, a FOR PROFIT Company. Most of their homes are 1 Star facilities with severe tags against them. Please don't let them treat our elderly like a commodity, they are not for sale.

The DeKalb County Nursing home is used by hundreds of families every year. This is a 3-star facility with a loving and caring staff, many of whom may not continue if they must work for DeKalb Healthcare Holdings, LLC. We need to speak up and let the DeKalb County Board know that we need the DeKalb County Nursing Home a Non-Profit facility.
