I am a lifelong resident of DeKalb County. My mother, grandmother, aunt, in-laws and husband were all given excellent care at DeKalb County Nursing Home. Please do not let this facility fall into the wrong hands. Thank you

Attention Mike Constantino:

As residents of DeKalb County for over 50 years, we urge that the Illinois State Health and Facilities Services Review Board reject the sale of the DeKalb County Nursing Home. The proposed buyer has a history of poor performance. We ask that with a rejection, that our DeKalb County Board gives the voters of DeKalb County an opportunity to vote on the final determination as to whether our residents would support financially the continuation of both ownership and supervision of the Nursing Home. Our elderly population deserve better than the current purchaser will provide. We believe it is our responsibility to provide quality care to our aging population. Please vote NO to this purchase.

Respectfully submitted,

Tom and Pam Burski

I am a resident of DeKalb County asking the Review Board to **deny the sale**. Both my parents used the home. The sale and prospective management is not in the best interest of the public. Your no vote will give the county and public a chance to reconsider or find appropriate buyers at an appropriate price. Thank you.
