Re: Pain & Spine Institute Surgery Center (Proj. No. 23-033)

Dear Mr. Constantino:

Pursuant to Section 1130.760 of the Illinois Health Facilities and Services Review Board ("HFSRB") rules, I am writing on behalf of DXTx Pain & Spine, LLC and Pain & Spine Institute Surgery Center, LLC (the "Permit Holders") to submit the annual progress report for Pain & Spine Institute Surgery Center. As you are aware, the Permit Holders have a certificate of need permit to establish a limited specialty ambulatory surgical treatment center (the "Project"). The Permit Holders submit the following information regarding the progress of Project.

The Permit Holders engaged an architect to design the surgery center and have submitted the architectural plans to the Illinois Department of Public Health for review. The Permit Holders are currently contracting with a general contractor for the Project and soliciting bids for subcontractors. Construction is anticipated to commence in May 2025 and to be completed in early fall 2025.

To date, the Permit Holders have expended \$440,004 on costs for the Project.

If you need any additional information or have any questions regarding the status of the project, please feel free to contact me.

Sincerely,

Anne M. Cooper
