Surgery Center**

Dear Mr. Kniery:

We represent Advocate Condell Ambulatory Surgery Center, LLC, Advocate-SCA Partners, LLC, Surgical Care Affiliates, LLC, Evangelical Services Corporation, CASC, LLC, Neuro II, LLC, Surgicenter Holdings, LLC (“Permit Holders”) with regard to Project #23-041, a Certificate of Need permit to add the pain management category of service to an existing ambulatory surgical treatment center at 825 South Milwaukee Avenue, Libertyville, Illinois 60048. The Illinois Health Facilities and Services Review Board (“Board”) approved the project on March 12, 2024. We are happy to report that the project is complete, and we request that you accept this letter as our notice of completion in lieu of a final cost report consistent with 77 Ill. Admin. As you know there were no costs associated with this project and per the application approved by the Board, the project would be complete by either the date the Illinois Department of Public Health (“IDPH”) approved adding the category to the existing license or by March 1, 2024. IDPH approved the addition of the category of service on March 25, 2024 (approval letter enclosed). The project was completed according to the terms of the permit letter issued by the Board.

If you should have any questions or need any additional information regarding the project, please do not hesitate to contact me at 312-212-4967 or via email at JMorado@beneschlaw.com. You can also contact my colleague Mark J. Silberman at 312-212-4952 or via email at MSilberman@beneschlaw.com.
