Mr. Constantino,

Below is the waiting list for compiled by my marketing and management team.
We have assisted living up and running in Highland in the same building where SNF beds are.
So people keep coming to ask if we are open for skilled nursing side of the building.

We already have very promising waiting list which reflects local area need and demand for skilled beds.

I just wanted to share the actual list before board meeting. Please can you add this to my file and put in front of the respected board members.
