RE: Advocate Lutheran General Hospital Project #23-045

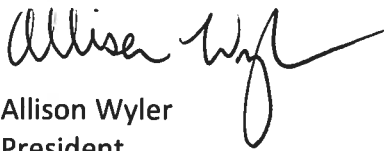

Dear Ms. Savage,

This letter is to notify the Illinois Health Facilities and Services Review Board that the Applicants for the Advocate Lutheran General Hospital Project #23-045 are withdrawing the application for the expansion and modernization of the CAC on the Lutheran General Hospital campus.

We intend to develop a modified project for these services that will address the needs of the program now and into the future and will submit a new Certificate of Need application at that time.

If you have any questions, or need additional information, please feel free to contact me or Myndee Balkan.

Sincerely,

Allison Wyler
President
Advocate Lutheran General Hospital
