Narrative Description

In the space below, provide a brief narrative description of the change of ownership. Explain **WHAT** is to be done in **State Board defined terms**, **NOT WHY** it is being done. If the project site does NOT have a street address, include a legal description of the site.

Under the current corporate structure of The Center for Orthopedic Medicine, LLC d/b/a The Center for Outpatient Medicine (the "Healthcare Facility"), The Carle Foundation, d/b/a Carle Health ("Carle Health") holds a controlling interest in (i) the Healthcare Facility and (ii) several other healthcare facilities, including Carle Eureka Hospital and Carle BroMenn Medical Center. Carle Eureka Hospital and Carle BroMenn Medical Center are each geographically proximate to the Healthcare Facility, in an area referred to as the Carle Health Central Region. In order to provide a governance structure for the oversight of regional matters and align resources between and among healthcare facilities in each region where Carle Health operates healthcare facilities, including in the Carle Health Central Region, Carle Health is organizing three new Illinois not-for-profit corporations, including Carle Health Central Region. Carle Health Central Region will hold a controlling interest in the Healthcare Facility and the sole corporate member of Carle Health Central Region will be Carle Health. As such, the ultimate parent of the Healthcare Facility will not change and nor will the operating entity or the person with ultimate control of the Healthcare Facility.

Carle Health and The Center for Orthopedic Medicine, LLC d/b/a The Center for Outpatient Medicine (the "Applicants") are filing this Certificate of Exemption application with the Illinois Health Facilities & Services Review Board ("Review Board") to allow consummation of the planned corporate restructuring. As the restructuring is being undertaken as an internal corporate reorganization with Carle Health maintaining its controlling interest in the Healthcare Facility, the restructuring constitutes a change of ownership among related persons under Review Board rules.

The restructuring is contingent upon approval from the Review Board and is anticipated to be completed on February 1, 2023 or shortly after HFSRB approval of this application for a Certificate of Exemption, whichever is later.

Note that this application is part of a series of Certificate of Exemption applications relating to the restructure. The broad corporate structure of the Carle Health organization before and following completion of the contemplated restructuring is included with this application as Attachment – 4. Note that the health care facilities which are planned to become part of the Carle Health system as described in COE application numbers E-054-22 through E-058-22 already are already under a regional corporate entity (Methodist Health Services Corporation) and therefore, no similar restructuring will be involved when those health care facilities become part of Carle Health.

Site Ownership

By signing the certification pages within this application, the Applicants attest that GAHC4 Bloomington IL MOB, LLC owns the property at 2502 B East Empire Street Bloomington, IL 61704 and leases it to the Healthcare Facility.

ATTACHMENT 3

Operating Entity/Licensee

The Carle Foundation currently holds a controlling interest in The Center for Orthopedic Medicine, LLC d/b/a The Center for Outpatient Medicine, which is the licensee and operator of the Healthcare Facility. Following completion of the contemplated restructuring, Carle Health Central Region will become a subsidiary of The Carle Foundation d/b/a Carle Health and will become the direct owner of such interests. After restructuring, The Center for Orthopedic Medicine, LLC d/b/a The Center for Outpatient Medicine will continue to hold the license and operate the Healthcare Facility and Carle Health will continue to hold a controlling interest in the Healthcare Facility with final control of the Healthcare Facility.

This Certificate of Exemption application is being filed because the inclusion of Carle Health Central Region as an intermediary direct owner of a controlling interest in the Healthcare Facility constitutes a change of ownership as defined in Section 1130.120 of the Review Board's rules.

Copies of the Healthcare Facility's license and accreditation are attached at Attachment- 5.

ATTACHMENT 6**1130.520. Requirements for Exemptions Involving the Change of Ownership of a Health Care Facility****Names of Parties, Post-Closing Licensee and Structure of the Transaction - (1130.520 (b)(1)(A), (b)(1)(B) and (b)(1)(C))**

Under the current corporate structure of The Center for Orthopedic Medicine, LLC d/b/a The Center for Outpatient Medicine (the "Healthcare Facility"), The Carle Foundation, d/b/a Carle Health ("Carle Health") holds a controlling interest in (i) the Healthcare Facility and (ii) several other healthcare facilities, including Carle Eureka Hospital and Carle BroMenn Medical Center. Carle Eureka Hospital and Carle BroMenn Medical Center are each geographically proximate to the Healthcare Facility, in an area referred to as the Carle Health Central Region. In order to provide a governance structure for the oversight of regional matters and align resources between and among healthcare facilities in each region where Carle Health operates healthcare facilities, including in the Carle Health Central Region, Carle Health is organizing three new Illinois not-for-profit corporations, including Carle Health Central Region. Carle Health Central Region will hold a controlling interest in the Healthcare Facility and the sole corporate member of Carle Health Central Region will be Carle Health. As such, the ultimate parent of the Healthcare Facility will not change and nor will the operating entity or the position of Carle Health as the entity with ultimate control of the Healthcare Facility.

Carle Health and The Center for Orthopedic Medicine, LLC d/b/a The Center for Outpatient Medicine (the "Applicants") are filing this Certificate of Exemption application with the Illinois Health Facilities & Services Review Board ("Review Board") to allow consummation of the planned corporate restructuring. As the restructuring is being undertaken as an internal corporate reorganization with Carle Health maintaining its controlling interest in the Healthcare Facility, the restructuring constitutes a change of ownership among related persons under Review Board rules.

The restructuring is contingent upon approval from the Review Board and is anticipated to be completed on February 1, 2023 or shortly after HFSRB approval of this application for a Certificate of Exemption, whichever is later.

Note that this application is part of a series of Certificate of Exemption applications relating to the restructure. The broad corporate structure of the Carle Health organization before and following completion of the contemplated restructuring is included with this application as Attachment – 4. Note that the health care facilities which are planned to become part of the Carle Health system as described in COE application numbers E-054-22 through E-058-22 already are already under a regional corporate entity (Methodist Health Services Corporation) and therefore, no similar restructuring will be involved when those health care facilities become part of Carle Health.

List of Membership Interests -1130.520(b)(1)(E)

The Carle Foundation, d/b/a Carle Health ("Carle Health") holds a controlling interest in The Center for Orthopedic Medicine, LLC d/b/a The Center for Outpatient Medicine, which is the licensee and operator of the Healthcare Facility. Following the completion of the contemplated restructuring, Carle Health Central Region will become a subsidiary of The Carle Foundation and will become the direct owner of such interests. The Center for Orthopedic Medicine, LLC d/b/a The Center for Outpatient Medicine will continue to hold the license and operate the Healthcare Facility.

Copies of the Healthcare Facility's license and accreditation are attached at Attachment- 5.

Fair Market Value of Assets -1130.520(b)(1)(F)

The fair market value of the Healthcare Facility is \$1,054,615¹.

Purchase Price -1130.520(b)(1)(G)

N/A. This is a change of ownership among related parties.

Affirmation regarding Outstanding CON Permits -1130.520(b)(2)

Carle Health holds the following Certificate of Need permits:

- CON 20-048: Carle- Danville Medical Office Building
- CON 20-047: Carle Danville Surgery Center
- CON 21-001: Carle Danville Surgery Center

With the signatures in the certification section of this Certificate of Exemption application, the Applicants affirm that the above-identified projects will be completed in accordance with all applicable provisions of Section 1130 of the Review Board's rules.

Potential Benefits and Cost Savings -1130.520(b)(4) and (b)(5)

Carle Health believes the planned restructuring will enhance stewardship of local resources by allowing for and coordinating regional input.

Quality Improvement Program to be Utilized– 1130.520(b)(7)

Carle Health has a longstanding commitment to a culture of quality, safety, service and evidence-based practices. By aspiring to consistently engage in process improvement and improve consistency to meet the highest standards for quality and patient satisfaction, Carle will continue to advance its commitment to delivering care that is of the highest quality, and eliminates preventable harm.

¹ The fair market value figure noted above is a good faith estimate of the value based on the 10/31/22 fixed asset ledger. It represents the approximate net book value of the Healthcare Facility assets as of 10/31/22. There will be no consideration exchanged in connection with the internal restructuring.

Governing Body Composition/Selection Process -1130.520(b)(7)

- The Carle Health Board and processes for appointing new members will generally remain unchanged, though in connection with the integration of the three UnityPoint hospitals, some board members from Methodist Health Services Corporation will become board members of Carle Health after the transactions associated with the pending UnityPoint Health transaction is consummated. As a general matter, members of the Carle Health Board are appointed from a broad pool.
- The composition of the new regional boards will vary by region but will generally consist of a combination of community members, physicians and two ex officio members (the president of the largest Carle Health hospital in the region and the CEO of the regional corporation). Members will be generally appointed from a pool of individuals in the respective regions with some overlap between the regional boards and the hospital boards. No Carle Health Board members are expected to be on the regional boards being created as described in this application.
- The Healthcare Facility board, its process for appointing new members, and the scope of its authority will generally remain unchanged.

Scope of Services – 1130.520(b)(9)

There will be no changes in the Categories of Service(s) provided by the Healthcare Facility within 24 months following the consummation of the planned restructuring unless it applies for and obtains approval from the HFSRB to make any adjustments necessary to best address the healthcare needs of the communities served by the Healthcare Facility.
