Re: Notice of Project Completion:

#E-017-23, Vista Medical Center East, Waukegan
#E-018-23, Lindenhurst Freestanding Emergency Center

Dear Mr. Kniery:

This letter is to provide notice that the change of ownership transaction approved in each of the above projects closed effective July 1, 2023 in accordance with the key terms contained in the exemption applications. The transaction did not involve a change of licensee, and the licensee of both facilities remains the same.

Very truly yours,

BARNES & THORNBURG LLP

Daniel J. Lawler
