SUBJECT: Peru Hospital

To Whom It May Concern:

The citizens of Peru Township are very concerned that they currently do not have a hospital nor one nearby. Some citizens don't even have means of transportation to go 20-25 miles to the nearest existing hospitals .

The officers of Peru Township and the citizens of our township urge you to move quickly on approving the application of OSF to purchase the old IVCH hospital here in Peru that St. Margaret's owns and closed, so that OSF can open it ASAP to provide health services for our citizens and nearby citizens.

We the people of Peru Township support this purchase and hope that you move quickly on this approval.

Sincerely,

Douglas O. Biederstedt
