RE: EXEMPTION APPROVAL-DISCONTINUATION OF CATEGORY OF SERVICE
EXEMPTION#: E-037-23 – Carle Richland Memorial Hospital
EXEMPTION HOLDERS: The Carle Foundation d/b/a Carle Health, Richland Memorial Hospital, Inc. d/b/a Carle Richland Memorial Hospital

Dear Mr. Anderson:

On November 15, 2023, the Chairwoman of the Illinois Health Facilities and Services Review Board (“State Board”) acting on behalf of the State Board approved the discontinuation of the 5-bed pediatric category of service at Carle Richland Memorial Hospital, 800 E. Locust, Olney, Illinois. The Hospital now has been approved for the following: 61 medical surgical beds, 8 intensive care beds, 10 obstetric beds and 20 long term care beds for a total of 99 beds.

You are reminded that this exemption for the discontinuation of a category of service shall be invalid if the exemption holder fails to submit a statement to the Board within 90 days after the completion date of the discontinuation, or such longer period as provided by the Board, certifying that the discontinuation has been completed. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act. The exemption holder is also reminded that 77 IAC 1130.140 defines transactions that constitute a change of ownership of a health care facility. You should become familiar with those definitions.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to acquisition.

Should you have any questions or concerns, please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516

Sincerely,

John P. Knierly
