RE: **Completeness Requirements Met**  
Health Facilities Planning Act  
PROJECT: 24-003 Dialysis Care Center Oak Lawn  
APPLICANTS: Dialysis Care Center Oak Lawn, LLC and Dialysis Care Center  
Holdings, LLC

Dear CON Counsel:

This is to acknowledge receipt of your application for permit under the Illinois Health Facilities Planning Act. Your application, received on February 1, 2024, was deemed substantially complete as of February 9, 2024, and is considered a substantive project.

We have received your check in the amount of \$2,500.00. The balance of your fee has been determined to be **\$0.00**, and no further payment is due at this time.

Only EMERGENCY CON projects are charged no fee. Please make the check out for the exact amount, as rounding off dollar amounts complicates our records unnecessarily.

It is possible that a public hearing may be requested on your project pursuant to the provisions of Part 1130.910. If so, you will be contacted regarding the time and place for the public hearing.

A review of your project will be conducted by the State Agency and a report of findings will be submitted to the State Board. You will have an opportunity to review a copy of the report and appear before the State Board to answer any questions that members may have. The State Agency Report and related materials for this project will be posted on the State Board website 14 days before the State Board meeting.

Consideration by the State Board has been tentatively scheduled for the **May 9, 2024, State Board Meeting**.

Should you have any questions regarding your application, please contact our office at (217) 782-3516 or TTY (800) 547-0466 for hearing impaired only.

Sincerely,
