This is to acknowledge receipt of your application for permit under the Illinois Health Facilities Planning Act. Your application, received on January 29, 2024, was deemed complete as of January 29, 2024, and is considered a non-substantive project.

We have received your check in the amount of \$2,500.00. The balance of your fee has been determined to be **\$97,500.00**, and **payment must be made to the Illinois Department of Public Health within thirty (30) days of your receipt of this notice.**

A review of your project will be conducted by the State Agency and a report of findings will be submitted to the State Board. You will have an opportunity to review a copy of the report and appear before the State Board to answer any questions that members may have.

The State Agency Report and related materials for this project will be posted on the State Board website 14 days before the State Board meeting.
