Re: Marshall Square Dialysis

Dear Senator Villanueva:

This office represents DaVita Inc. and East Oaks Dialysis LLC d/b/a Marshall Square Dialysis (collectively, "DaVita"). Pursuant to 20 Ill. Comp. Stat. 3960/8.7(b), I am writing on behalf of DaVita to notify you that on June 3, 2024, the Illinois Health Facilities and Services Review Board Chair approved the discontinuation in its entirety of DaVita's 12-station dialysis center known as Marshall Square Dialysis located at 2950 West 26th Street, Chicago, Illinois. Effective June 5, 2024, DaVita permanently ceased operations at Marshall Square Dialysis. All patients transferred to other area DaVita dialysis centers that had sufficient capacity to care for them.

If you have any questions or need any additional information related to the discontinuation of Marshall Square Dialysis, please feel free to contact Rahul Kapoor at rahul.kapoor@davita.com.

Sincerely,

A handwritten signature in blue ink that reads 'Anne M. Cooper'.
