I am contacting you in support of the OSF plan for the entire Illinois Valley. OSF has taken a healthcare desert, LaSalle-Peru, Spring Valley Oglesby, Tonica, Utica, etc. without an emergency department, OB, imaging, lab, and physician services and restored service for a population area of 50 to 60 thousand people. OSF has selected the center of the donut to provide the people of LaSalle, Bureau and Putnam counties with state of the art health care. The plan reduces the travel time to care from 45 to 50 minutes to 15 to 20 when travelling from Princeton to Ottawa or Princeton to Peru. They have seen the big picture in health care and have produced a plan to serve the tri-county area for decades to come. Their plan leaves no area without the healthcare we need and deserve. I fully support this plan and thank OSF for being an economic driver of the Illinois Valley. Without a hospital or good schools a population shall wither and blow away. Michael Rooney. LaSalle, Illinois
