**RE: Opposition to Beloit Health System, Inc. Proposed Micro-Hospital**

Dear Chairwoman Savage and members of the HFSRB,

I am writing today to express my continued opposition to Beloit Health System, Inc.'s proposed NorthPointe Neighborhood Hospital project. As a member of the Illinois House Health Care Availability and Access Committee, I am well versed in the healthcare delivery system of our fair State. I am also aware of Beloit Health System's testimony at this Board's October, 2024 meeting. Nothing in that testimony has alleviated the concerns I expressed in my earlier missive and I remain deeply concerned about the impact of the proposed hospital on the existing healthcare system in Northern Illinois.

We should not condone the creation of a strategy by an out-of-state hospital to redirect, for their own gain, the resources needed by our own hospitals to support our local communities. I urge the Review Board to oppose the proposed NorthPointe Neighborhood Hospital.

Sincerely,

A handwritten signature in black ink, appearing to read "Natalie A. Manley".
