**Re: Barrington Pain & Spine Institute (Proj. No. 24-021)  
Notice of Project Completion and Final Realized Cost Report**

Dear Mr. Kniery:

I am writing to submit the notice of project completion and final realized cost report for Project No. 24-021. On September 19, 2024, the Illinois Health Facilities and Services Review Board approved Barrington Pain & Spine Institute's ("BPSI") application to add interventional radiology at its surgery center located at 600 Hart Road, Barrington, Illinois (the "Project"). The Project was completed on November 18, 2024.

**1. Final Realized Costs**

There were no costs associated with the Project.

**2. Certification of Final Realized Costs and Compliance**

Pursuant to 77 Ill. Admin. Code § 1130.770, BPSI certifies no costs were required to complete the Project and that there are no additional costs or capital expenditures related to the Project. I further certify that BPSI has complied with all of the terms of the permit to date, and all information submitted in this cost report for the facility is true and correct.

**3. Final Application and Certification of Payment**

There was no construction or modernization of the surgery center to add surgical specialties. Accordingly, there is no final G702 for the Project.
