Re: Project Completion Letter, Permit #24-025 Discontinue Northwest Community Foot & Ankle Center

Dear Mr. Kniery,

The above referenced Certificate of Need was issued on October 21, 2024 approving the discontinuation of the Northwest Community Foot & Ankle Center (NCFAC) at 1455 East Golf Road, Suite 131, Des Plaines, Illinois. This letter serves as formal notification that all of the requirements for the permit #24-025 have been met and the project is complete. Endeavor Health temporarily closed the ASTC in October 2023 and consolidated the surgery center's operations with other NCH health care facilities. NCFAC completed this project with the permanent closure of the ASTC upon HFSRB approval on October 21, 2024.

We thank the Board again for approval of our application.

Sincerely,

A handwritten signature in blue ink, appearing to read "S. Bautista", with a stylized flourish at the end.

Shivani Bautista
Chief Legal Officer/Corporate Secretary
Endeavor Health

Cc: Mr. Mike Constantino, Cheryl Eck, Kara Friedman
