Subject: [External] I OPPOSE PROJECT 24-027 - Written Comment for the Record
Date: Wednesday, October 9, 2024 1:45:54 PM

I oppose Project 24-027 Northwestern Medicine Huntley Medical Office Building. As a Northwestern Memorial Hospital worker, I know that there is a greater need for cancer care and specialty care services on the South and West Sides of Chicago. Many of us live in these communities that Northwestern neglects, even as they are part of Northwestern's primary service area. Reject Project 24-027 because we deserve quality investment.
