**Re: Advocate Health and Hospitals Corporation d/b/a Advocate Christ Medical Center
Addition of 12 Medical Surgical Beds replacing 12 OB Beds**

Dear Mr. Kniery:

This letter is to provide the Illinois Health Facilities and Services Review Board the assurance required with the Certificate of Need application for a modernization project at Advocate Christ Medical Center.

Based on the information at this time, it is my understanding that by the second year of operation after project completion, Advocate Christ Medical Center reasonably expects to achieve and maintain the utilization standards for the Inpatient bed units, as specified in 77 Ill. Administrative Code 1100.

Respectfully,

Dia Nichols
President
Advocate Health Care
