RE: ALTERATION TO PERMIT
PERMIT: 24-032 HSHS St. Elizabeth Hospital – O’Fallon
PERMIT HOLDERS: St. Elizabeth’s Hospital of the Hospital Sisters of the Third
Order of St. Francis, HSHS Medical Group, Inc., HSHS Sisters Health System

Dear Ms. Toth and Mr. Lawler:

On June 29, 2026, the Chairwoman, acting on behalf of the Illinois Health Facilities and Services Review Board (“State Board”), approved the Alteration to Permit 24-032 for HSHS St. Elizabeth Hospital. The approval changed the licensing of outpatient surgical services from an ambulatory surgical treatment center to an outpatient department at St. Elizabeth's Hospital. The approved surgical services (operating rooms, procedure rooms, PACUs, and recovery stations) will remain unchanged, as will all other service components of the project. The Alteration consists of abandoning the ASTC category of service. Additionally, a co-applicant, Hospital Sisters Surgery Center, O’Fallon, LLC, has been removed from the list of permit holders for Permit 24-032.

If you have any questions, please email mike.constantino@illinois.gov or call (217) 782-3516.

Sincerely,

Mike Constantino
