The Honorable Brandon Johnson Mayor City of Chicago 121 North LaSalle Street Chicago, Illinois 60602

Re: Kindred Chicago Lakeshore

Dear Mayor Johnson:

This office represents Kindred Healthcare Operating, LLC and Kindred THC North Shore, LLC (collectively, "Kindred"). Pursuant to 20 Ill. Comp. Stat. 3960/8.7(a), I am writing on behalf of Kindred to notify you that Kindred intends to file a certificate of need application with the Illinois Health Facilities and Services Review Board (the "State Board") to discontinue, in its entirety, its 103-bed long-term acute care facility, operating as part of the Subacute Care Demonstration Program known as Kindred Chicago Lakeshore (the "Facility") located at 6130 North Sheridan Road, Chicago, Illinois (the "Project").

The Project will result in the discontinuation of all the Facility's authorized beds as well as inpatient imaging services. Kindred anticipates the Facility will close as soon as practicable after State Board approval, but no later than April 30, 2025.

Kindred arrived at this decision after carefully evaluating the decline in utilization of the facility, which currently operates at 36% occupancy, as well as the known availability of beds at nearby facilities, including two long-term acute care hospitals Kindred operates within 10 miles of the Facility: Kindred Hospital North and Kindred Hospital Chicago Northlake. Both Kindred Hospital North and Kindred Hospital Northlake operate below the State Board's target occupancy of 85% and have sufficient capacity to accommodate the Facility's patients. This decision will best enable Kindred to care for the greater Chicago community and invest more robustly in the remaining facilities.

All patients will be discharged or transferred to another Kindred hospital prior to discontinuation of the Facility. Therefore, the discontinuation of the Facility will not affect access to long-term acute care services in the Chicago metropolitan area. Additionally, Kindred plans to offer the Facility's current employees positions at other Kindred locations to support a smooth transition. Both the continued access to long-term acute care services and job placement for employees have been priorities for the Company while considering this decision.

If you have any questions about Kindred's plans to discontinue Kindred Chicago Lakeshore, please feel free to contact Susan Feeney, AVP Communications and Public Policy at 202-607-0315.

Dear Chair Savage:

I hereby certify under penalty of perjury as provided in § 1-109 of the Illinois Code of Civil Procedure, 735 ILCS 5/1-109, and pursuant to 77 Ill. Admin Code § 1110.290(a)(6) that Kindred Chicago Lakeshore will complete all questionnaires and data required by the Illinois Health Facilities and Services Review Board or the Illinois Department of Public Health (IDPH) (e.g., annual questionnaires, capital expenditures surveys, etc.) will be provided through the date of discontinuation and that the required information will be submitted no later than 60 days following the date of discontinuation.

Sincerely,

—Docusigned by: Kathy Jeague

Section II, Discontinuation <u>Criterion 1110.290(b), Reason for Discontinuation</u>

Kindred seeks authority from the Illinois Health Facilities and Services Review Board to discontinue its 103-bed long term acute care facility, operating as part of the Subacute Care Demonstration Program known as Kindred Chicago Lakeshore located at 6130 North Sheridan Road, Chicago, Illinois. Kindred leases the building housing Kindred Chicago Lakeshore. Given lease expires on April 30, 2025, Kindred decided to discontinue its subacute care hospital.

Section II, Discontinuation Criterion 1110.290(c), Impact on Access

 The discontinuation of Kindred Chicago Lakeshore will not affect access to long-term acute care services in the planning area. Based on the Inventory of Health Care Facilities and Need Determinations, there is an excess of 231 long-term acute care beds in HSAs 6, 7, 8, and 9.1 The discontinuation of Kindred Chicago Lakeshore will not affect access to long-term acute care services in the Chicago area.

Further, there are three long-term acute care hospitals within 30 minutes of Kindred Chicago Lakeshore. As of December 31, 2022, utilization of these hospitals was significantly below the State Board's 85% utilization standard.² See Table 1110.290(c). Patients requiring ongoing long-term acute care services will be transferred to Kindred Hospital Chicago North and/or Kindred Chicago Northlake. Patients not requiring ongoing long-term acute care will be discharged home or to a lower level of care appropriate for their medical condition and needs. Accordingly, the discontinuation of Kindred Chicago Lakeshore will not adversely affect patient access to long-term acute care services in metro Chicago.
