RE: Discontinuation of a Category of Service, Health Facilities Planning Act--Part 1130 Exemption.
Exemption #: E-007-24 – MacNeal Hospital
Exemption Holders: Gottlieb Community Health Services Corporation d/b/a MacNeal Hospital, Loyola University Health System d/b/a Loyola Medicine, and Trinity Health Corporation

Dear Mr. Green:

On April 22, 2024, the Chairwoman of the Illinois Health Facilities and Services Review Board acting on behalf of the State Board under 77 ILAC 1130 approved your request for the discontinuation of the 25-bed long term care category of service at MacNeal Hospital, 3249 South Oak Park Avenue, Berwyn, Illinois. The approval was based upon the application's compliance with applicable provisions of 77 ILAC 1130. There is no cost to this transaction. The Hospital now has 68 acute mental illness beds, 26 intensive care beds, 208 medical surgical beds, 25 obstetric beds, 10 pediatric beds, 12 rehabilitation beds for a total of 349 beds.

You are reminded that this exemption for the discontinuation of a category of service shall be invalid if the exemption holder fails to submit a statement to the Board within 90 days after the discontinuation of the category of service or such longer period as provided by the Board, certifying that the discontinuation has been completed. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to acquisition. The exemption will be invalid should the facility for which the change of ownership was granted cease to be an existing health care facility as defined in 77 IAC 1130.140.

Sincerely,

John P. Kniery
Administrator
