**Re: Project Completion Letter
#E-012-24, Rockford Ambulatory Surgery Center**

Dear Mr. Constantino:

This letter provides notice that the change of ownership transaction approved in Project #E-012-24 closed effective August 1, 2024 in accordance with the key terms contained in the exemption application. The transaction did not involve a change of licensee, and the licensee of the facility remains the same.

Very truly yours,
