Dear Ms. Brawley:

On February 6, 2025, the Chairwoman of the Illinois Health Facilities and Services Review Board (“State Board”) acting on behalf of the State Board approved your request for a change of ownership of 1800 McDonough Road Surgery Center, LLC d/b/a Ashton Center for Day Surgery, 1800 McDonough Road, Suite 100, Hoffman Estates, Illinois. The approval was based upon the application's compliance with applicable provisions of 77 IAC 1130. The change of ownership is considered a purchase resulting in no change in the licensee.

You are reminded that this exemption for a change of ownership of a health care facility shall be invalid if the exemption holder fails to submit a statement to the Board within 90 days after the closing date of the transaction or such more extended period as provided by the Board, certifying that the change of ownership has been completed in accordance with the key terms contained in the application. If such key terms of the transaction change, a new application is required. [20 ILCS 3960/8.5(a)] Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act. The exemption holder is also reminded that 77 IAC 1130.140 defines transactions that constitute a change of healthcare facility ownership. You should become familiar with those definitions.

The State Board's approval does not exempt the transaction from any other regulatory, certification, or licensure requirements applicable before acquisition. The exemption will be invalid should the facility for which the change of ownership was granted cease to be an existing healthcare facility.
