EXEMPTION: #E-033-24 – Gottlieb Memorial Hospital
EXEMPTION HOLDERS: Gottlieb Memorial Hospital, Loyola University Health System
d/b/a Loyola Medicine, Trinity Health Corporation

Dear Mr. Green:

On February 6, 2025, the Chairwoman of the Illinois Health Facilities and Services Review Board ("State Board"), acting on behalf of the State Board, approved your request for the discontinuation of the 12-bed acute mental illness category of service at Gottlieb Memorial Hospital, 701 West North Avenue, Melrose Park, Illinois. The approval was based on the application's compliance with applicable provisions of 77 Adm. Code 1130. There is no cost to this transaction. The Hospital now has 24 intensive care beds, 34 long-term care beds, 157 medical-surgical beds, and 20 rehabilitation beds for 235 beds.

You are reminded that this exemption for the discontinuation of a category of service shall be invalid if the exemption holder fails to submit a statement to the Board within 90 days after the discontinuation of the category of service or such more extended period as provided by the Board, certifying that the discontinuation has been completed. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification, or licensure requirements that may have been applicable before discontinuation.

If you have any questions, please contact my staff at (217)782-3516.

Sincerely,

John P. Kniery
Administrator
