I am a concerned citizen from Marseilles, Illinois. I have attended several meetings concerning the changes to OSF St Elizabeth. Many of my concerns have been addressed by members of CHO, but there are some other questions I am hoping to have answered. *What is the projected cost for renovating the existing Peru facility as well as parking facilities? The buildings are old in need of much repair. *Has OSF ever been in talks with Morris Hospital about future plans to annex into the OSF conglomerate? *Why is it so important to weight the western side of LaSalle County with OSF healthcare? This makes me wonder if you have thoughts of taking in Morris.
