RE: Advocate Health \$1 Billion Investment

Dear Ms Savage;

I am a native of South Chicago, and for the past 40 years volunteered my talents assisting the Hospital initiatives'.

I am intensely enthusiastically supporting Advocate Health innovative \$1 Billion Investment in Health and Wellness. This will be a historic advancement addressing the 30-year Life Expectancy Gap contrasted between North and South Communities.

I embrace the innovative advances of ensuring healthcare services are accessible, and also, incorporated in the daily life of Southside residents.

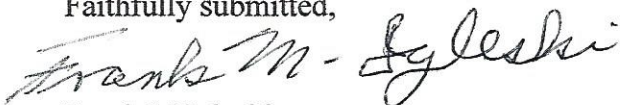

I experienced an excitement at Advocate's Imani Center that day January/2025 as the Declaration was announced to a crowded audience.

I remain committed to better opportunities and extended lives for my neighbors with replacing the Advocate Trinity Hospital Infrastructure with a state-of-the-art Hospital. A new modern amenities will improve Wellness Opportunities for our Southside residents.

The Southside of Chicago is a City steeped in History, Culture, and Resilience!

I am respectfully requesting: Please Vote "YES" for our transformative project.

Faithfully submitted,
