Dear Ms. Savage,

I am writing to express my support for Advocate Trinity Hospital's proposed construction of a modern, high-tech replacement community hospital. This exciting addition to the community will bring much needed healthcare programs to meet the unique needs of the Southeast Side.

Our community has long recognized the crucial need for enhanced healthcare services in our area. The proposed replacement hospital by Advocate Trinity represents a significant investment in the health and well-being of our residents. This new facility will bring state-of-the-art medical technology and advanced treatments to our community, ensuring that all individuals have access to the highest quality of care.

The Southeast Calumet Heights Homeowners Association is the 6th largest Association of its kind in the state of Illinois. We are an organization committed to building strong communities. Advocate Trinity Hospital has been a strong and loyal partner, providing comprehensive health care services to our community for over 100 years. The replacement hospital will be designed to better serve all members of our community, including those who are most vulnerable.

We welcome the opportunity to support Advocate Trinity in improving the health outcomes of our community.

Thank you for your consideration of this exciting and important project. Please do not hesitate to contact me regarding this matter.

Sincerely,

Betty D. Porter
President - Southeast Calumet Heights Homeowners Association
