RE: Advocate Trinity Hospital's Proposed Replacement Hospital Project

Dear Ms. Savage,

I am writing on behalf of Goodwill Greater Milwaukee and Chicago to express our enthusiastic support for Advocate Trinity Hospital's proposed construction of a modern, state-of-art new replacement community hospital. Our community has long recognized the critical need for enhanced healthcare services in our area. The proposed replacement hospital by Advocate Trinity represents a much-needed investment in the health and well-being of our community. This new facility will bring state-of-the-art medical technology and advanced treatments to our community, ensuring that all individuals have access to the highest quality of care.

Goodwill Greater Milwaukee and Chicago is a workforce development and human service organization, connecting people to work and preparing people for life, dedicated to the South Side of Chicago. We share in Advocate's commitment to creating equity in access to healthcare and support Advocate in eliminating this barrier to employment and family economic security. Advocate Trinity Hospital has been a strong and loyal partner, providing comprehensive healthcare services to our community for over 100 years. The replacement hospital will be designed to better serve all members of our community, including those who are most vulnerable.

We welcome the opportunity to support Advocate Trinity in improving the health outcomes of our community. Thank you for your consideration of this exciting and important project. Please do not hesitate to contact me regarding this matter.

Sincerely,
