RE: Advocate Trinity Hospital's Proposed Replacement Hospital Project

Dear Ms. Savage,

I am writing on behalf of Together Chicago to express our enthusiastic support for Advocate Trinity Hospital's proposed construction of a modern, state-of-art new replacement community hospital.

Our community has long recognized the critical need for enhanced healthcare services in our area. The proposed replacement hospital by Advocate Trinity represents a much-needed investment in the health and well-being of our community. This new facility will bring state-of-the-art medical technology and advanced treatments to our community, ensuring that all individuals have access to the highest quality of care.

Together Chicago exists to be a catalyst for lasting change by reducing gun violence and increase thriving communities in our city.

We catalyze faith, business, community, and government leaders to inspire hope and affect peace and justice in the communities we serve.

Advocate Trinity Hospital has been a strong and loyal partner, providing comprehensive healthcare services to our community for over 100 years. The replacement hospital will be designed to better serve all members of our community, including those who are most vulnerable.

We welcome the opportunity to support Advocate Trinity in improving the health outcomes of our community.

Thank you for your consideration of this exciting and important project. Please do not hesitate to contact me regarding this matter.

Sincerely,
