Dear Board Members,

I am writing to express our strong support for the proposed Mt. Zion Center for Surgery in Mt. Zion, IL. Our business has been operating for 39 years and employs 400+ employees across all segments. We are intentional when it comes to actively improving our employees' lifestyle in the community and one of our most significant and steadily increasing expenses is healthcare for our employees and their families. It has grown every year with no signs of slowing down. The addition of a high-quality, cost-effective surgical center would be a tremendous asset to both our business and the broader community. We respectfully urge you to approve the Mt. Zion Center for Surgery project.

Thank You,

Colt McLeod

Dear Members of the Board,

I am writing a letter of support for the Mt. Zion Center for Surgery located in Mt. Zion, IL. Many of our healthcare clients across Illinois have offered great benefits to their patient community offering services at their ambulatory surgical centers, with the focus on patient comfort, personalized care, and mitigating the rising costs of healthcare.

We kindly ask the board to support this project.

Sincerely,

Katie Wirth
