

Dear OSF,

My Mom, Colleen Burns, is the
nicest, most comited, selfless ~~perso~~
person I know! Did YOU ever
relize, some people from Ottawa
need a hospital they can get
to quickly. My mom is so
busy already, and now she spends
hours of her life, trying to help
her community, so for you to
tie about her, ... thats just evil.
Pictur your self on the other
team, spending your time witting
to save our hospital.

We GAVE it to you. You didn't
pay a PENNEY! ~~And~~ And now
you want to take stuff away from
us.
