Re: Referral Letter- Salt Creek Surgery Center

Dear Mr. Kniery,

My name is Dr. Giridhar Burra and I am an Orthopedic Surgeon with the Illinois Bone and Joint Institute, and I serve as the Medical Director of the Salt Creek Surgery Center. This letter contains the referral documentation required per 77 Ill. Admin. Code Section 1110.235(c)(4)(B). During the 12-month period prior to submission of this letter, our practice referred a total of 4350 procedures to the Salt Creek Surgery Center. Included with this letter is a breakdown of the number of procedures each IJBI surgeon referred to the facility in the last 12 months.

Hospital or ASTC Name	Number of procedures completed in the last 12 months	Number of procedures to be sent to proposed facility
Salt Creek Surgery Center	4,350	4,613

Based on my historical referrals, our existing waiting list, and expansion plans at the newly proposed facility, our practice anticipates referring 4,613 surgical cases in the second year of operation following completion of our modernization project. Enclosed with this letter is a list of patient origin by zip code of residence. I certify that the patients we propose to refer reside within the proposed geographic service area.

I further certify that the aforementioned referrals have not been used to support another pending or approved certificate of need permit application. The information provided in this letter is true and accurate to the best of my knowledge.

Thank you,

Giridhar Burra, M.D.
