I am writing in opposition to the transfer of Oak Hill to the private firm Accolade, I strongly feel that Monroe County should maintain control of Oak Hill. I also feel that only the voters should have a say in this matter through a referendum on the matter and select a search firm to find a suitable and vet the candidates for us to see vs just picking Accolade. They may be one of the firms selected, I don't know. Many of the letters have listed Accolades failures in other homes, so I will not repeat those. Please allow the taxpayers to decide this issue. Thank you
