Dear Mrs. Roate,

I had just sent out the 16 prints to you this past Thursday. Then the Hope Clinic had 2 emergency vehicles come together on Friday! For one female client that left in the ambulance to BJC when we had sidewalk advocates there to witness it and take photos. Because it was about 10:15, we still had people on the sidewalk. So enclosed is the picture for Friday, December 12, 2025, please show it all well. Hope Clinic is a very unsafe place. I hope that →
