Subject: Letter of Support – Arcadia Reopening Skilled Nursing Facility

To Whom it may concern:

I am writing on behalf of Lincoln Memorial Hospital to express our support for Arcadia's reopening of its Skilled Nursing Facility. As CEO, I recognize the critical role skilled nursing services play in ensuring patients receive the right level of care after hospitalization and in supporting long-term recovery and stability.

The reopening of Arcadia's Skilled Nursing Facility will strengthen the continuum of care for our community by expanding access to post-acute rehabilitation, nursing services, and supportive care for patients who are not yet ready to return home safely. This added capacity is especially important for reducing delays in hospital discharges, improving care transitions, and helping patients recover in an appropriate, clinically supported setting.

Lincoln Memorial Hospital supports this effort and welcomes continued collaboration with Arcadia to help meet the growing needs of our region. Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Tamar Kutz".
