To Whom It May Concern,

On behalf of the City of Lincoln, Illinois, I am pleased to offer my support for Arcadia at Lincoln and its efforts to open a skilled nursing facility, expanding upon their independent and assisted living services that are already in place in our community.

Lincoln, like many communities across Illinois, continues to see a growing need for quality senior care and supportive housing. The skilled nursing facility will provide another option that will help ensure that residents can remain in the community they call home while receiving the care and support they need.

Arcadia at Lincoln plays an important role in our local healthcare network, and this expansion will strengthen the continuum of care available to residents of Lincoln and the surrounding area. I appreciate their commitment to serving our community and supporting the well-being of our residents.

Sincerely,

Tracy L. Welch
Mayor
City of Lincoln, Illinois
