Good afternoon,

I am a resident and registered nurse in Chicago, Illinois.

The Illinois Health Facilities and Services Review Board must DENY Alexian Brothers request for exemption for a Certificate of Need, and application for exemption for the discontinuation of the 28-bed obstetric category of service at [Alexian Brothers Medical Center, 800 Biesterfield Road, Elk Grove Village](#).

Ascension must fulfill its mission and take the following steps to become an industry leader in combating the meteoric rise in obstetric health care deserts and lowering the pregnancy-related mortality rate.

Thank you for listening,
