To all whom it may concern,

As an Elk Grove Village resident, I urge the Board to reject the request of Ascension Illinois to shut down the Obstetrics and Maternity Ward at Ascension Alexian Brothers Medical Center in Elk Grove Village, IL.

Dr. Mruz delivered my baby girl at Alexian Brothers in February of 1988. It would have been nice for her to deliver my grandson there. This really comes as an unnecessary shock driven by nothing other than greed. I hope the right thing gets done here for the good of the people that live in this community.

**Thank you for your time,
Merle Breymeyer**
