Dear Members of the Board:

On behalf of the residents of the Village of Schaumburg, I am writing to respectfully share concerns regarding the proposed closure of the maternity unit at Alexian Brothers Medical Center (ABMC) in Elk Grove Village.

Access to high-quality, local health care services remains a critical factor for families when deciding where to live and raise their children. The maternity unit at ABMC has long provided convenient and trusted care to residents in Schaumburg and surrounding communities. Its closure would reduce the availability of nearby options for expectant mothers, creating an added burden for families who may already be navigating stressful circumstances.

While Schaumburg is fortunate to have strong emergency medical response capabilities, we recognize that timely access to labor and delivery services — beyond emergency care — is an important part of a healthy community. The availability of maternity care close to home ensures that families receive consistent, accessible services and supports the broader regional health care system.

For these reasons, I respectfully urge the Illinois Health Facilities and Services Review Board to carefully consider the broader community impacts of this proposed closure. Maintaining maternity services at

ABMC is vital not only for Schaumburg residents but for the surrounding area as well.

Thank you for your consideration of this important matter and for your ongoing commitment to the health and well-being of Illinois families.

Sincerely,

Tom Dailly
