Dear Mr. Impicciche, Mr. Snodgrass and Mr. Ourth:

On September 25, 2025, the Illinois Health Facilities and Services Review Board (“State Board”) approved your request to acquire ownership interests in Ambulatory TopCo, LLC, and Oak Lawn Endoscopy Center, 9921 Southwest Highway, Oak Lawn, Illinois. The approval was based upon the application's compliance with applicable provisions of 77 Ill. Adm. Code 1130. The fair market value (FMV) of this transaction is \$26,566,000.

You are reminded that this exemption for a change of ownership of a health care facility shall be **invalid** if the exemption holder fails to submit a statement to the Board within 90 days after the closing date of the transaction or such more extended period as provided by the Board, certifying that the change of ownership has been completed following the key terms contained in the certificate of exemption (“COE”) application. If such key terms of the transaction change, a new COE application shall be required under Section 8.5(a) of the Illinois Health Facilities Planning Act (“Planning Act”).

You are solely responsible for ensuring full compliance with all the requirements concerning a change of ownership exemption outlined in the Planning Act and the applicable administrative rules. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Planning Act and 77 Ill. Adm. Code 1130.790.

ILLINOIS HEALTH FACILITIES AND SERVICES REVIEW BOARD

The exemption will be invalid should the facility for which the change of ownership was granted cease to be an existing healthcare facility. The State Board's approval does not exempt the transaction from any other regulatory, certification, or licensure requirements applicable before and after the change of ownership.

Should you have any questions, contact HFSRB staff at (217) 782-3516 or via email at DPH.HFSRB@illinois.gov.

Sincerely,
