Dear Ms Savage,

I am 77 years old.

I spent 1 year driving from Champaign Illinois to Olney Illinois and another year and a half driving to West Chicago (from Champaign) to see and care for my daughter.

She died 12/9/22. The last time I saw her was 12/5/22. I could not get to the hospital In Wheaton, IL before she died.

Champaign County is in dire need of more skilled nursing home beds. There is a deficit of 310 beds.

I am hopeful that Advocates for Aging and Southern Administrative Services will create a dignified and compassionate place for Champaign County people to go when they can no longer take care of themselves.
